They are practically Assistant Masters teaching the lower classes of these Schools and both of them are Matriculates doing their work satisfactorily. The former entered service on 10. 3 I beg likewise to recommend the promotion to class D. II of S Govindachar who has been a pupil teacher in the Kolar High School since 13 March 1899 and has passed the Middle School Examination, and M. Alasingachar who has been a pupil teacher in the Chikmagalur High School since 1st April 1897 but has not passed any Examination The latter is an excellent scholar in Kanarese & Sanskrit they are hardworking teachers but as neither of them is a matriculate, they may be given only Rs 15 the minimum pay of Class D II until they pass the Matriculation Examination
